Subject: Support for New River Dunes Golf Course

This Message originated outside your organization.

Hello,
I understand that yesterday a meeting was held to discuss the placement of a golf course south of Bandon that would be owned and operated by the Keiser family and Bandon Dunes Golf Resort. I would like to voice my support for this course.

As a community member and business owner, I have seen Bandon Dunes and the Keiser family show support for our community and its positive growth. Their focus is not simply in the economic growth of our community, but in the desire to provide needed support for healthcare, mental health, education and youth programs. They have also created the non-profit Wild Rivers Coast Alliance to provide grants to our South Coast in support of our healthy ecosystem. This is a tremendous blessing that we did not have before.

I am proud to have Bandon Dunes and the Keiser family as a member of our community and I hope you too will show your support.

Thank you,

Spencer Gordon
