Coos County Second Amendment Sanctuary Ordinance

Question 20 words which plainly phrases the chief purpose of the measure.

Shall the citizens of Coos County adopt the proposed Second Amendment Sanctuary Ordinance?

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

The effect of a yes vote would:

Prohibit Coos County officials (unless ordered by a court) from participating in the enforcement of an Extraterritorial Act or to use any county funds to enforce an Extraterritorial Act. An Extraterritorial Act is any local, state, federal act, laws, orders, rules or regulations which restrict the right to keep and bear arms, ammunition and firearm accessories by any person.

As an example, the proposed ordinance would prohibit county officials from enforcing current laws that:

- Prohibit carrying a firearm concealed;
- Prohibit those adjudicated to be mentally ill from possessing a firearm;
- Prohibit the unlawful possession of sawed off shotguns, short barreled rifles and silencers.

The ordinance allows county officials to enforce restrictions on convicted felons from possessing firearms. Would allow county officials to enforce crimes where possession of a firearm is an aggravating factor.

The ordinance has no effect on state, federal or municipal officials enforcing any firearm law in Coos County.

A no vote leaves in place current practice regarding enforcement of firearms laws.
