## II. Project Summary

### Existing Conditions

The project site consists of a 76-acre part of tax lot T27S-R14W-S03-TL00400; whose total acreage is totaling approximately 1,334 acres of vacant Forest (F) land. The project site is located west of West Beaver Hills Road, approximately one mile south of the West Beaver Hills Road and Seven Devils Road intersection in Coos County, Oregon.

The project site and all adjacent lots are zoned Forest (F) and identified in the County's comprehensive plan designation as Forest Lands. A vicinity and zoning map are included as Figure 1 and Figure 2 of this narrative, respectively.

The project site is a vacant lot with a history of timber production. As such, vegetation on the site primarily consists of mature timber strands. There are no dwelling approvals on the project site nor is the intent of this application qualify for a dwelling approval.

Surrounding uses are identified in Table 1 below.

## Project Description

On behalf of the applicant (Weyerhaeuser NR), DOWL requests county approval of a Unit of Land Not Lawfully Established Application to validate "Seven Devils - Lot 17" (e.g. – part of tax lot T27S-R14W-S03-TL00400). The application form and signing authority certificate are included with this application as Exhibits A and B, respectively.

Seven Devils - Lot 17, was originally described as the "S½NW¼ in Township 27, Range 14, Section 3" in deed Book 89, Page 238 (recorded March 30, 1923) before the effective date of Coos County's applicable subdivision ordinance (January 1, 1986). This configuration was further adjusted by deed 87-5-7576 (recorded on October 9, 1987), which conveyed "*Parcel II: Those portions of the S½NW¼ and the SE¼NW¼ and the NE¼SW¼ of Section 3, situated West of the centerline of West Beaver Hill Road and also situated Sout hand East of the following line...*" from Coos County to Bohemia Inc. The preparer concludes that Coos County's Zoning and Land Development Ordinance required land divisions in resource zones obtain planning approval when the conveyance occurred in 1987.

The conveyance between Coos County and Bohemia (currently Weyerhaeuser ownership) resulted in an additional 76-acre lot out of the underlying legal lot. The remaining 4-acre lot remained in Coos County ownership. Given two lots resulted from the sale by deed (remainder lot owned by Weyerhaeuser and remainder lot owned by Coos County), the preparer concludes the remedy is validation of a unit of land not lawfully established pursuant Oregon Revised Statute (ORS) 92.176 (1) and Coos County Code Section 6.1.175.

The preparer also notes that Seven Devils – Lot 17 (e.g. S½NW¼) is occasionally described together with the SW¼, NW¼NE¼, and S½NE¼ for purpose of sale only and that Seven Devils - Lot 17 is separate and discrete lots as described in Oregon Revised Statutes (ORS) 92.017 as no further division, consolidation, or vacation has occurred as provided by law. This conclusion is further supported by LUBA No. 2016-056. Legal lot research for the SW¼, NW¼NE¼, and S½NE¼ is submitted for county review under separate applications. Lot-of-record information, including a preliminary title report, chain of title and deeds are included with this application as Exhibit C.

In 1987, there was no minimum lot size requirement in the Forest zoning district for forest use. Therefore, both resulting lots from the S½NW¼ are considered pre-existing non-conforming lots created before the county's 80-acre minimum lot size. Figures illustrating the original legal lot configuration and resulting configuration following deed 87-5-7576 are shown on the tentative plat, included as Exhibit D.

### III. Coos County Zoning and Land Development Ordinance

The applicable Coos County Zoning and Land Development Ordinance (LDO) provisions are set forth below with findings demonstrating the project's consistency with these standards.

#### Article 6.1 Lawfully Created Lots and Parcels

##### SECTION 6.1.100 WHAT IS NOT A LAWFULLY CREATED LOT OR PARCEL:

A unit of land shall not be considered a separate parcel simply because the subject tract of land;

1. Is a unit of land created solely to establish a separate tax account;
2. Includes properties that have divided interest;
3. Lies in different counties;
4. Lies in different sections or government lots;
5. Lies in different land use or zoning designations; or
6. Is dissected by a public or private road.

##### SECTION 6.1.125 LAWFULLY CREATED LOTS OR PARCELS:

"Lawfully established unit of land" means:

1. The unit of land was created:
  - a. Through an approved or pre-ordinance plat;
  - b. Through a prior land use decision including a final decision from a higher court. A higher court includes the Land Use Board of Appeals;
  - c. In compliance with all applicable planning, zoning and subdivision or partition ordinances and regulations at the time it was created.
  - d. By a public dedicated road that was held in fee simple creating an intervening ownership prior to January 1, 1986;
  - e. By deed or land sales contract, if there were no applicable planning, zoning or subdivision or partition ordinances or regulations that prohibited the creation.
  - f. By the claim of intervening state or federal ownership of navigable streams, meandered lakes or tidewaters. "Navigable-for-title" or "title-navigable" means that ownership of the waterway, including its bed, was passed from the federal government to the state at statehood. If a waterway is navigable-for-title, then it also is generally open to public use for navigation, commerce, recreation, and fisheries.

**Response:** The applicant concludes that the conveyance by deed 87-5-7576 occurred at a time when planning approval would have been required. Therefore, the preparer concludes that the resulting parts of the S½NW¼ are not considered lawfully created lots and are instead subject to county approval per LDO Section 6.1.175 and as authorized by ORS 92.176 (1).

2. Creation of parcel previously approved but not acted upon (92.178).
  - a. The governing body of a county may approve an application requesting formation of one parcel if the county issued a land use decision approving the parcel prior to January 1, 1994, and:
  - b. A plat implementing the previous land use decision was not recorded; or

- c. A condition of approval of the previously approved land use decision requiring consolidation of adjacent lots or parcels was not satisfied by a previous owner of the land.
- d. An application under this section is not subject to ORS 215.780.
- e. Approval of an application under this section does not affect the legal status of land that is not the subject of the application.

**Response:** The above criteria does not apply to the application.

#### **SECTION 6.1.150 APPLICATIONS ESTABLISHING LAWFULLY CREATED LOTS OR PARCELS:**

An application to establish a lawfully created unit of land shall be submitted in the case of Section 6.1.125.1.d, e and f and Section 6.1.125.2. This is an administrative land use decision. If County Counsel is required to review information to determine legal status of the unit of land additional fees may be charged.

All notices will be provided in accordance with LDO Section 5.0.

Once it is determined that a lawfully created unit of land exists it shall be separated out on its own deed prior to any reconfiguration such as a property line adjustment. A copy of that deed needs to be provided to the Planning Department showing the process has been completed. If there are more than two lawfully created units of land (discrete parcels) found to exist a road may be required to provide access. The applicable road standards in Chapter VII will apply.

#### **SECTION 6.1.175 VALIDATION OF A UNIT OF LAND NOT LAWFULLY ESTABLISHED:**

This section does not condone or encourage illegal land divisions, and as a penalty, this process will be charged a triple fee. Road requirements will be at the discretion of the Roadmaster.

1. The Planning Director may approve an application to validate a unit of land that was created by a sale that did not comply with the applicable criteria for creation of a unit of land if the unit of land:
  - a. Is not a lawfully established unit of land pursuant to LDO Section 6.1.125; and

**Response:** The lots that resulted from deed 87-5-7576 occurred after January 1, 1986. Therefore, both lots do not qualify as lawfully established units of land pursuant LDO Section 6.1.125. Instead, validation of a unit of land not lawfully established applies to the site, as established in this provision and as authorized by ORS 92.176 (1).

- b. Could have complied with the applicable criteria for the creation of a lawfully established unit of land in effect when the unit of land was sold.

**Coos County 1987 Ordinance – Boundary Line Adjustment Provision**

- D. Resource Zone Boundary Adjustment. A common ownership line between two adjacent owners in any resource zone or zones may be adjusted provided:
1. an administrative conditional use is approved addressing Review Standard #98 if the zoning is agricultural, or Review Standard #31 if the zoning is forestry, or both Review Standards #31 and #98 if both agricultural and forestry zoning is involved; and
  2. a partition pursuant to Chapter VI is not required unless the creation of an access is necessary to accomplish the boundary adjustment.

**Response:** The resulting 76-acre lot (Seven Devils – Lot 17) and remainder 4-acre lot owned by Coos County (e.g. -tax Lot T27S14W03TL500) were conveyed for forest management purposes and were not subject to a minimum lot size in 1987. Therefore, the lots that resulted from deed 87-5-7576 could have complied with the applicable boundary line adjustment/partition criteria for the creation of a lawfully established unit of land in 1987 (see screenshot above from the 1987 land development ordinance).

2. Notwithstanding subsection (1)(b) of this section, the Planning Director may approve an application to validate a unit of land under this section if the Planning Department or Hearings Body approved a discretionary decision for the construction or placement of a dwelling or other building on the unit of land after the sale. If the permit was approved for a dwelling, the Planning Director must determine that the dwelling qualifies for replacement under the criteria listed below.
  - a. The dwelling must contain:
    - i. Intact exterior walls and roof structure; VI-4
    - ii. Indoor plumbing consisting of a kitchen sink, toilet and bathing facilities connected to a sanitary waste disposal system;
    - iii. Interior wiring for interior lights; and
    - iv. A heating system

**Response:** No dwellings exist or will be proposed as a result of this application.

3. Coos county may approve an application for an Administrative Conditional Use Permit for the continued use of a dwelling or other building on a unit of land that was not lawfully established if:
  - a. The dwelling or other building was lawfully established prior to January 1, 2007; and
  - b. The permit does not change or intensify the use of the dwelling or other building.

**Response:** No dwellings exist or will be proposed as a result of this application.

4. An application to validate a unit of land under this section shall be reviewed as an Administrative Conditional Use, pursuant to LDO Article 5.2. An application to Coos county

**under this section is not subject to the minimum lot or parcel sizes established for the applicable zoning district.**

**Response:** Acknowledged.

- 5. A unit of land becomes a lawfully established parcel when the Planning Director validates the unit of land under this section if the owner of the unit of land causes a Final Plat meeting the applicable requirements of LDO Section 6.2.800 FINAL PLAT REGULATION AND REQUIREMENTS to be recorded within 90 days after the date the Planning Director validates the unit of land.**

**Response:** Acknowledged.

#### **IV. Conclusion**

As evidenced throughout this narrative and attached exhibits, the proposed Validation of a Unit of Land Not Lawfully Created meets the governing approval criteria. Therefore, the applicant respectfully requests County approval of this request.

Inquire before you wire!

## WIRE FRAUD ALERT

This Notice is not intended to provide legal or professional advice.  
If you have any questions, please consult with a lawyer.

All parties to a real estate transaction are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification. **If funds are to be wired in conjunction with this real estate transaction, we strongly recommend verbal verification of wire instructions through a known, trusted phone number prior to sending funds.**

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.
- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you. **DO NOT** use the phone number provided in the email containing the instructions, use phone numbers you have called before or can otherwise verify. **Obtain the number of relevant parties to the transaction as soon as an escrow account is opened.** **DO NOT** send an email to verify as the email address may be incorrect or the email may be intercepted by the fraudster.
- **USE COMPLEX EMAIL PASSWORDS** that employ a combination of mixed case, numbers, and symbols. Make your passwords greater than eight (8) characters. Also, change your password often and do **NOT** reuse the same password for other online accounts.
- **USE MULTI-FACTOR AUTHENTICATION** for email accounts. Your email provider or IT staff may have specific instructions on how to implement this feature.

**LIMITATIONS OF LIABILITY**

"CUSTOMER" REFERS TO THE RECIPIENT OF THIS REPORT.

CUSTOMER EXPRESSLY AGREES AND ACKNOWLEDGES THAT IT IS EXTREMELY DIFFICULT, IF NOT IMPOSSIBLE, TO DETERMINE THE EXTENT OF LOSS WHICH COULD ARISE FROM ERRORS OR OMISSIONS IN, OR THE COMPANY'S NEGLIGENCE IN PRODUCING, THE REQUESTED REPORT, HEREIN "THE REPORT." CUSTOMER RECOGNIZES THAT THE FEE CHARGED IS NOMINAL IN RELATION TO THE POTENTIAL LIABILITY WHICH COULD ARISE FROM SUCH ERRORS OR OMISSIONS OR NEGLIGENCE. THEREFORE, CUSTOMER UNDERSTANDS THAT THE COMPANY IS NOT WILLING TO PROCEED IN THE PREPARATION AND ISSUANCE OF THE REPORT UNLESS THE COMPANY'S LIABILITY IS STRICTLY LIMITED. CUSTOMER AGREES WITH THE PROPRIETY OF SUCH LIMITATION AND AGREES TO BE BOUND BY ITS TERMS.

THE LIMITATIONS ARE AS FOLLOWS AND THE LIMITATIONS WILL SURVIVE THE CONTRACT:

ONLY MATTERS IDENTIFIED IN THIS REPORT AS THE SUBJECT OF THE REPORT ARE WITHIN ITS SCOPE. ALL OTHER MATTERS ARE OUTSIDE THE SCOPE OF THE REPORT.

CUSTOMER AGREES, AS PART OF THE CONSIDERATION FOR THE ISSUANCE OF THE REPORT AND TO THE FULLEST EXTENT PERMITTED BY LAW, TO LIMIT THE LIABILITY OF THE COMPANY, ITS LICENSORS, AGENTS, SUPPLIERS, RESELLERS, SERVICE PROVIDERS, CONTENT PROVIDERS AND ALL OTHER SUBSCRIBERS OR SUPPLIERS, SUBSIDIARIES, AFFILIATES, EMPLOYEES, AND SUBCONTRACTORS FOR ANY AND ALL CLAIMS, LIABILITIES, CAUSES OF ACTION, LOSSES, COSTS, DAMAGES AND EXPENSES OF ANY NATURE WHATSOEVER, INCLUDING ATTORNEY'S FEES, HOWEVER ALLEGED OR ARISING, INCLUDING BUT NOT LIMITED TO THOSE ARISING FROM BREACH OF CONTRACT, NEGLIGENCE, THE COMPANY'S OWN FAULT AND/OR NEGLIGENCE, ERRORS, OMISSIONS, STRICT LIABILITY, BREACH OF WARRANTY, EQUITY, THE COMMON LAW, STATUTE OR ANY OTHER THEORY OF RECOVERY, OR FROM ANY PERSON'S USE, MISUSE, OR INABILITY TO USE THE REPORT OR ANY OF THE MATERIALS CONTAINED THEREIN OR PRODUCED, **SO THAT THE TOTAL AGGREGATE LIABILITY OF THE COMPANY AND ITS AGENTS, SUBSIDIARIES, AFFILIATES, EMPLOYEES, AND SUBCONTRACTORS SHALL NOT IN ANY EVENT EXCEED THE COMPANY'S TOTAL FEE FOR THE REPORT.**

CUSTOMER AGREES THAT THE FOREGOING LIMITATION ON LIABILITY IS A TERM MATERIAL TO THE PRICE THE CUSTOMER IS PAYING, WHICH PRICE IS LOWER THAN WOULD OTHERWISE BE OFFERED TO THE CUSTOMER WITHOUT SAID TERM. CUSTOMER RECOGNIZES THAT THE COMPANY WOULD NOT ISSUE THE REPORT BUT FOR THIS CUSTOMER AGREEMENT, AS PART OF THE CONSIDERATION GIVEN FOR THE REPORT, TO THE FOREGOING LIMITATION OF LIABILITY AND THAT ANY SUCH LIABILITY IS CONDITIONED AND PREDICATED UPON THE FULL AND TIMELY PAYMENT OF THE COMPANY'S INVOICE FOR THE REPORT.

THE REPORT IS LIMITED IN SCOPE AND IS NOT AN ABSTRACT OF TITLE, TITLE OPINION, PRELIMINARY TITLE REPORT, TITLE REPORT, COMMITMENT TO ISSUE TITLE INSURANCE, OR A TITLE POLICY, AND SHOULD NOT BE RELIED UPON AS SUCH. THE REPORT DOES NOT PROVIDE OR OFFER ANY TITLE INSURANCE, LIABILITY COVERAGE OR ERRORS AND OMISSIONS COVERAGE. THE REPORT IS NOT TO BE RELIED UPON AS A REPRESENTATION OF THE STATUS OF TITLE TO THE PROPERTY. THE COMPANY MAKES NO REPRESENTATIONS AS TO THE REPORT'S ACCURACY, DISCLAIMS ANY WARRANTY AS TO THE REPORT, ASSUMES NO DUTIES TO CUSTOMER, DOES NOT INTEND FOR CUSTOMER TO RELY ON THE REPORT, AND ASSUMES NO LIABILITY FOR ANY LOSS OCCURRING BY REASON OF RELIANCE ON THE REPORT OR OTHERWISE.

Ticor Title Company of Oregon  
Order No. 360622040691

IF CUSTOMER (A) HAS OR WILL HAVE AN INSURABLE INTEREST IN THE SUBJECT REAL PROPERTY, (B) DOES NOT WISH TO LIMIT LIABILITY AS STATED HEREIN AND (C) DESIRES THAT ADDITIONAL LIABILITY BE ASSUMED BY THE COMPANY, THEN CUSTOMER MAY REQUEST AND PURCHASE A POLICY OF TITLE INSURANCE, A BINDER, OR A COMMITMENT TO ISSUE A POLICY OF TITLE INSURANCE. NO ASSURANCE IS GIVEN AS TO THE INSURABILITY OF THE TITLE OR STATUS OF TITLE. CUSTOMER EXPRESSLY AGREES AND ACKNOWLEDGES IT HAS AN INDEPENDENT DUTY TO ENSURE AND/OR RESEARCH THE ACCURACY OF ANY INFORMATION OBTAINED FROM THE COMPANY OR ANY PRODUCT OR SERVICE PURCHASED.

NO THIRD PARTY IS PERMITTED TO USE OR RELY UPON THE INFORMATION SET FORTH IN THE REPORT, AND NO LIABILITY TO ANY THIRD PARTY IS UNDERTAKEN BY THE COMPANY.

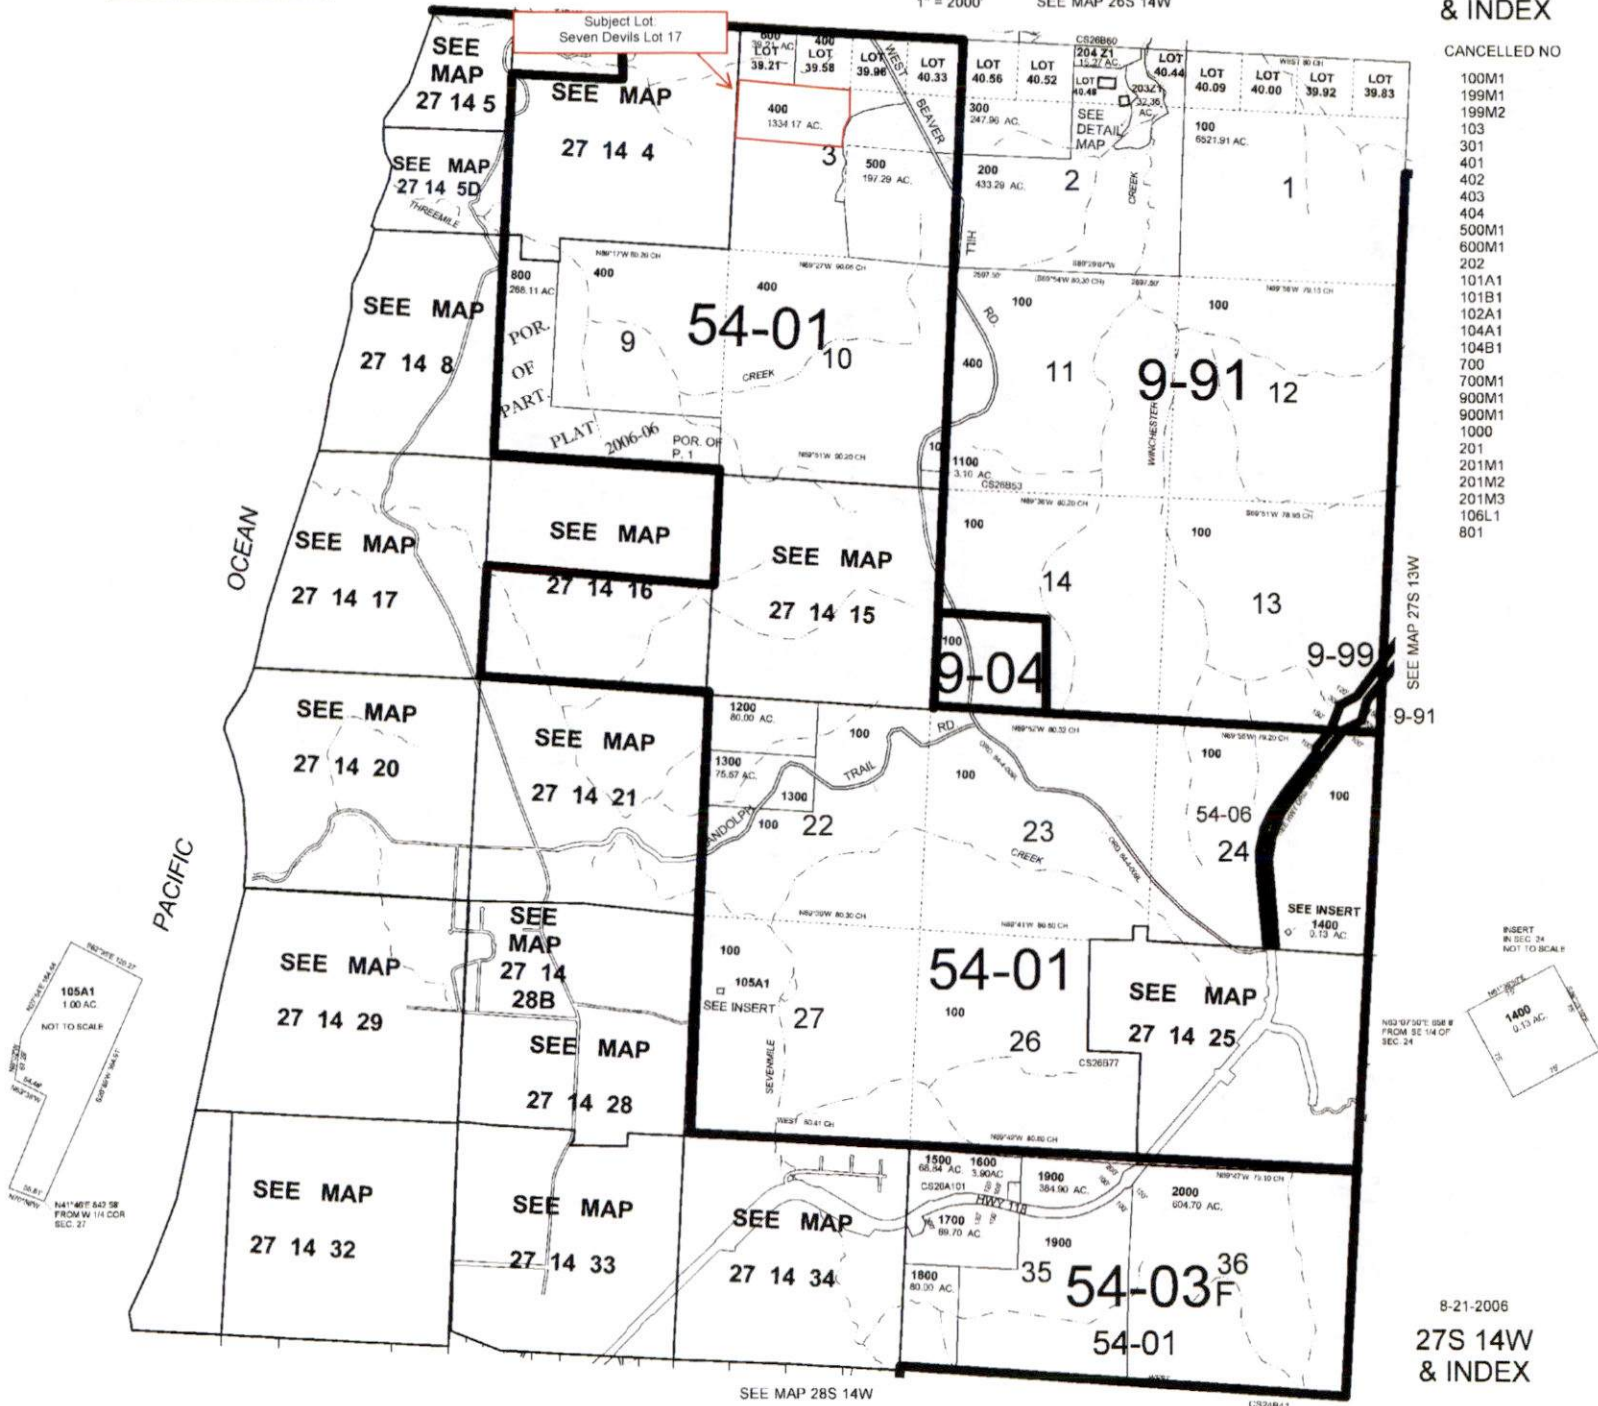

CUSTOMER AGREES THAT, TO THE FULLEST EXTENT PERMITTED BY LAW, IN NO EVENT WILL THE COMPANY, ITS LICENSORS, AGENTS, SUPPLIERS, RESELLERS, SERVICE PROVIDERS, CONTENT PROVIDERS, AND ALL OTHER SUBSCRIBERS OR SUPPLIERS, SUBSIDIARIES, AFFILIATES, EMPLOYEES AND SUBCONTRACTORS BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, PUNITIVE, EXEMPLARY, OR SPECIAL DAMAGES, OR LOSS OF PROFITS, REVENUE, INCOME, SAVINGS, DATA, BUSINESS, OPPORTUNITY, OR GOODWILL, PAIN AND SUFFERING, EMOTIONAL DISTRESS, NON-OPERATION OR INCREASED EXPENSE OF OPERATION, BUSINESS INTERRUPTION OR DELAY, COST OF CAPITAL, OR COST OF REPLACEMENT PRODUCTS OR SERVICES, REGARDLESS OF WHETHER SUCH LIABILITY IS BASED ON BREACH OF CONTRACT, TORT, NEGLIGENCE, THE COMPANY'S OWN FAULT AND/OR NEGLIGENCE, STRICT LIABILITY, BREACH OF WARRANTIES, FAILURE OF ESSENTIAL PURPOSE, OR OTHERWISE AND WHETHER CAUSED BY NEGLIGENCE, ERRORS, OMISSIONS, STRICT LIABILITY, BREACH OF CONTRACT, BREACH OF WARRANTY, THE COMPANY'S OWN FAULT AND/OR NEGLIGENCE OR ANY OTHER CAUSE WHATSOEVER, AND EVEN IF THE COMPANY HAS BEEN ADVISED OF THE LIKELIHOOD OF SUCH DAMAGES OR KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY FOR SUCH DAMAGES.

**Notes from DOWL survey:**  
 The deed boundary was calculated using BLM Geographic Coordinate Database (GCDB) cadastral information, based on OR State Plane South Zone grid coordinates. The closure into the GCDB derived south line of the NE1/4 of the SW1/4 was within reason for this exercise. That portion of the boundary along W Beaver Hill Road was digitized/approximated from aerial imagery. Please be advised that the use of these files should not rely upon the polygon acreage (it should be relatively close, but this should be treated as approximate).  
 There also appears to be a slight rotation between the metes and bounds deed exception boundary and features within the aerial imagery, but the line generally appears to follow improvements/features they were intended to follow.

AGREEMENT

THIS AGREEMENT made this 25th day of June, 1955, by and between Wm. Mark Michow, Trustee, acting for and on behalf of U. S. Chromium, Inc., an Oregon Corporation as to certain properties herein designated and for and on behalf of Strategic Metals Corporation, an Illinois Corporation, as to certain properties herein designated, whose address is 228 South Wabash Avenue, Chicago 4, Illinois, hereinafter called "OWNER" and MURPHY-OREGON, INC., an Oregon Corporation whose address is P. O. Box 825, Coquille, Oregon, hereinafter called "OPERATOR."

## WITNESSETH:

That Owner is in possession under the right of ownership of the following described properties situated in Township 27 S, Range 14 WWM, Coos County, Oregon, as follows:

Properties of U. S. Chromium, Inc.: containing 1,560 acres more or less and excepting therefrom a millsite property lying in Sec. 10 containing 7-1/2 acres more or less.

Southwest quarter (SW 1/4); South half (S 1/2) of the Northwest quarter (NW 1/4); South half (S 1/2) of the Northeast quarter (NE 1/4) and the Northeast quarter (NE 1/4) of the Northwest quarter (NW 1/4), Section Three (3).

Southeast quarter (SE 1/4) of the Northeast quarter (NE 1/4) and the Southeast quarter (SE 1/4), Section Four (4).

Northeast quarter (NE 1/4); East half (E 1/2) of the Northwest quarter (NW 1/4); Northeast quarter (NE 1/4) of the Southwest quarter (SW 1/4) and the North half (N 1/2) of the Southeast quarter (SE 1/4), Section Nine (9).

All of Section Ten (10).

Properties of Strategic Metals Corporation: containing 160 acres more or less.

Northeast quarter (NE 1/4) of Section Fifteen (15).

together with all water rights, easements, or other appurtenances applicable to the same.

NOW THEREFORE, for and in consideration of the covenants and agreements hereinafter contained it is mutually agreed between the parties as follows:

1. Owner holds properties above described as Trustee and

recorded in the records of Coos County, Oregon in the name of Wm. Mark Muebow, Trustee who holds by virtue of resolutions of the Directors of respective Corporations full authority to enter into agreements with respect to lease or sale of above described properties and will file with Operator documents necessary to confirm such authority forthwith upon execution hereof.

2. Owner represents that a certain purchase option granted to W. G. Hellier dated March 14, 1942, has expired for want of performance and is at this time of no force and effect and that owner will make effort to clear the records with respect to this transaction.

3. Owner declares that inasmuch as U. S. Chromium of Owners holds approximately 90% of the above total mineralized acreage and Strategic Metals Corp. holds approximately 10% thereof all returns from the properties in rent, royalties or otherwise shall be divided in that manner and on order of Trustee herein shall be deposited 90% thereof to the credit of U. S. Chromium, Inc. and 10% to Strategic Metals Corporation.

4. Operator shall thereupon, in order to keep this Agreement in full force and effect, pay to Owner the sum of money set forth in paragraph 4 of an unrecorded agreement between the parties hereto of even date herewith, as an advance against rentals or royalties accruing hereunder, out of which forthwith Owner agrees to pay not less than one year of delinquent taxes.

5. Upon receipt of such payment Owner gives and grants to Operator the exclusive right to mine and extract therefrom any and all minerals or mineral-bearing sands, particularly including Chromite, and also Gold, Platinum, or other precious metals which may be profitably taken or sold therefrom and title shall pass to Operator of all minerals as mined and concentrated whether hauled to separation plant or remaining on property of Owner provided and whenever rental or royalty be paid thereon.

Such right is granted for a period of ten (10) years from the date hereof, provided, however, that if mining has not been completed on such termination date and Operator is still carrying on such mining and wishes to continue to completion of the project Operator may extend this Agreement upon the same terms and conditions as herein provided by appropriate notice to Owner of Operator's desire to continue the operation and he may do so for such period of time as may be required to complete the project.

Operator contemplates construction on the properties of mining, milling and concentrating facilities with capacity of not less than one thousand (1,000) tons head feed per day, and plans commencement of work on the property within thirty days.

6. Owner understands that in order to mine the minerals from said property a procedure somewhat similar to that of previous operations must be followed whereby waste material is stripped from the surface down to whatever depth is necessary to expose the mineralized beds of sand containing Chromite and/or associated minerals.

Under this procedure the mineralized sands must then be further concentrated producing a product containing sufficient mineral value to justify hauling to the point of further separation of minerals. The product so described is generally called a "concentrate."

This concentrate will serve as basis of measurement or weight of the mineralized sands taken from the property for the purpose of determining the amount of royalty due Owner. Operator further agrees that as the concentrate produced from the property is hauled to the separating plant a careful record of each truckload will be kept, together with the weight of such truckload of mineral sand. Such record will be open for the inspection of owner.

7. Operator agrees to pay Owner a royalty set forth in paragraph 7 of said unrecorded agreement between the parties hereto of even date herewith, per long dry ton of concentrate hauled from the property. Payment will be made on or before the fifteenth (15) day of the month for all concentrate hauled during the previous month.

8. Operator further agrees that when the concentrate so hauled from the property of Owner is separated into the various minerals and it becomes possible to determine the amount of Gold, Platinum or other precious metals Operator will pay a royalty of ten (10%) percent of the net smelter or mint returns less shipping and insurance charges on all Gold, Platinum or other precious metals which were derived from the property of Owner, such royalty to be paid on or before the fifteenth (15th) day of the month following receipt of the returns from the smelter or mint.

9. Operator further agrees that the royalties to be paid to Owner as provided herein will be not less than that sum of money set forth in paragraph 9 of said unrecorded agreement between the parties hereto of even date herewith, during the year commencing one year after the date of this Agreement, and that the annual royalties thereafter shall be not less than that sum of money set forth in paragraph 9 of said unrecorded agreement between the parties hereto of even date herewith, per year, Owner agrees within such year to pay up all delinquent taxes. All payments made to Owner prior to actual mining hereunder shall constitute an advance against future royalties to accrue upon commencement of actual mining of the property and Operator shall recover such advances from production royalties by deducting one-half thereof until his advances have been returned.

10. Operator shall at its own cost and expense furnish all materials, supplies and equipment necessary for the mining thereof and shall operate in a thorough and miner-like manner.

11. Operator agrees to carry any and all necessary insurance, including Public Liability and Workmen's Compensation in effect at all times when work and operations are being conducted on the premises and to keep said property free and clear of any and all incumbrances occasioned by its acts or deeds and to pay all taxes lawfully due upon any structures, equipment or facilities which they may have placed upon the premises.

12. Any equipment, machinery, buildings or improvements installed or placed upon said property by Operator shall at all times remain as trade fixtures of the personal property of Operator and shall not attach to the realty, so that at all times same and all of same shall be removable by Operator.

13. During the term of this Agreement and for a reasonable time thereafter Owner shall have the privilege during the normal working hours of examining both the books of the Operator having to do with the property in question and relating to the recoveries made by the Operator.

14. Operator shall during the term of this Agreement have full use of the properties with right of ingress and egress at all times over existing roads and may build, maintain and use any new road, power or pipe line, dams for water reservoir or other facility necessary or useful to the operation and thereafter may use the same for access to and service or operation of any adjacent property of Operator until work thereon shall have been completed.

15. Operator may remove any standing timber when necessary for mining operations but otherwise shall not have title to or rights of disposal of timber which may be growing on the properties.

16. Operator recognizes that this Agreement does not convey, title shall pass, the right to extract or sublease for extraction of any gas, oil, other hydrocarbons or coal.

17. Operator will undertake to acquire from Coos County or their owner for benefit of Owners hereunder that tract of some seven and one-half acres known as the Mill Site of former operators located in Section 16 of properties and heretofore relinquished to Coos County to eliminate tax liability on old abandoned structures, provided that any necessary costs incurred shall be deductible from payments due Owner hereunder, provided however that Operator shall have full use of the property and structure with right to use any buildings or any timbers or materials salvagable therefrom.

18. Operator agrees to assume and pay all property taxes assessed against the properties from and after the date of this Agreement, and during the life thereof.

19. Operator shall not in facilities erected on Owner's properties mill or process ores from other properties than those covered hereunder unless by consent of Owner or unless Operator shall continue to pay minimum rents or royalties provided herein.

20. Operator holds commitment from Trustee above named that he will personally acquire for his own account and in his name a tract of some eighty acres more or less belonging to W. C. Wann known as Lots One and Two subject to certain exceptions in Sec. 5 of Twp. 27 S. Range 14 WNW in Coos County and lying at the mouth of Three Mile Creek which flows through property of Owner, such acquisition being for the purpose of protecting Operator from actions for damages arising from stream pollution, deposition of slimes, silting and other damage caused thereby to such property and said Trustee agrees to hold Operator harmless for any such damage and on taking of title to such property to execute contract to assure Operator of such protection.

Operator further agrees that the full purchase price of the properties hereunder, save and except and reserve unto themselves the amount to be expended by Operator for benefit of Owner and the balance of the purchase price shall be paid to the Trustee of the properties hereunder and the Trustee shall hold the same in trust for the benefit of the properties hereunder and shall pay the same to the Owner as and when the same shall be due and payable by the Trustee to the Owner and the Trustee shall be held harmless for any such damage and on taking of title to such property to execute contract to assure Operator of such protection.

32

22. Operator may terminate this Agreement at any time by giving ninety (90) days notice in writing to Owner of such termination and shall thereafter have the right, upon payment of all royalties accrued from mining hereunder, to remove all machinery, equipment and buildings from the property which he may have placed thereon.

23. If Operator shall fail in the performance of any of the covenants or agreements herein set out, Owner may terminate this Agreement by giving notice in writing to Operator setting out the nature of such failure, and in case Operator fails to remedy the default within sixty days after delivery of such notice, Owner may enter upon the property and take possession thereof, provided, however, that Operator, after payment of all royalties due hereunder, shall have the right to remove all machinery, equipment and buildings from the property which he may have placed thereon.

24. Operator shall not be responsible for delays caused by wars, insurrection, riots, strikes, government interference, or other causes beyond its control, and in case of delays due to such causes this Agreement and all of the terms and requirements thereof shall be extended for a period equal to the time lost by such delay.

25. In case of termination of this contract by reason of the default of the Operator as herein provided, all sums theretofore paid shall remain the property of the Owner, and the deed held in escrow shall be released to the Owner.

22. Operator may terminate this Agreement at any time by giving ninety (90) days notice in writing to Owner of such termination and shall thereafter have the right, upon payment of all royalties accrued from mining hereunder, to remove all machinery, equipment and buildings from the property which he may have placed thereon.

23. ### LEASE ADDENDUM

THIS LEASE ADDENDUM (this "Addendum") is made this 17<sup>th</sup> day of June, 2010 (the "Effective Date"), among WEYERHAEUSER COMPANY, a Washington corporation ("Lessor"), OREGON RESOURCES CORPORATION, an Oregon corporation ("ORC"), and MACQUARIE BANK LIMITED, a banking corporation organized under the laws of Australia acting as Security Trustee for various lenders ("Security Trustee"). Lessor, ORC, and Security Trustee are sometimes referred to herein each as a "Party," and collectively as the "Parties."

### RECITALS

A. By virtue of an Amended and Restated Mineral Sands Mining Lease dated effective as of January 1, 2006, a memorandum of which was recorded April 30, 2007, as Instrument No. 2007-5444, Official Records of Coos County, Oregon, as amended by an Amendment to Mineral Sands Lease dated March 29, 2010, a memorandum of which was recorded April 8, 2010, as Instrument No. 2010-3199, Official Records of Coos County, Oregon (as amended, the "Lease") Lessor leased certain real property located in Coos County, Oregon, as more particularly described on attached Exhibit A (the "Property") to ORC for purposes of the development and mining of mineral sands and minerals therein.

B. To finance development and use of the properties, rights, and interests described in the Lease (the "Properties and Interests"), and for other purposes, ORC intends to borrow extensive funds from various lenders. ORC is required to pledge its interest in the Lease to Security Trustee (as security trustee for the lenders to ORC referred to above) as collateral for such loans.

C. Lessor understands that, as a condition of leasehold lending, Security Trustee requires a unilateral right to take lessee's position under the lease should lessee default or be unable to make the payments required under the terms of the loan secured by such lease. In the interest of ensuring further development under the Lease, Lessor is willing to accommodate such a security mechanism on the terms and conditions described below.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. ORC may encumber ORC's interest in the Lease, and ORC's leasehold interest in the Properties and Interests, including ORC's interests in the mineral sands and other minerals as set forth in the Lease, with a leasehold mortgage, leasehold deed of trust, collateral assignment of lease, security agreement, UCC financing statements, and other security interests (each a "Leasehold Security

**Document")** in favor of Security Trustee, securing a loan or loans obtained by ORC for its Coos County operations. Lessor hereby consents to the foregoing encumbrances.

2. Lessor shall, simultaneous with notice to ORC, provide to Security Trustee all notices of default by ORC under the Lease at the following address, or at such other address to be provided by Security Trustee in writing:

Macquarie Bank Limited  
Metals and Energy Capital Division  
Level 1 No. 1 Martin Place  
Sydney, NSW 2000, Australia  
Attn: Richard Crookes

Lessor agrees that such notice of breach ("**Breach Notice**") to ORC shall not be effective unless and until a copy of such notice has been given to Security Trustee in the manner described above. All rights of Lessor to terminate the Lease, repossess the Properties and Interests or exercise any remedy against ORC are subject to and conditioned upon Lessor's providing to Security Trustee notice and opportunity to cure as set forth in this Addendum.

3. If the breach of the Lease described in the Breach Notice is not cured by ORC within the time prescribed by the Lease, Security Trustee shall have an additional sixty (60) days (after the end of ORC's cure period) to cure such breach or, if the nature of the breach is such that it cannot be cured within sixty (60) days, Security Trustee shall have such additional period as may be reasonably required to cure such breach, provided that Security Trustee has commenced the cure within the sixty (60) day period and diligently pursues such cure to completion. Lessor shall accept such performance or cures of the Security Trustee as if the same had been done by ORC. During the time periods allowed to Security Trustee by this paragraph, Lessor may not terminate the Lease, repossess the Properties and Interests, or exercise any remedy against ORC.

4. Lessor may not terminate the Lease, repossess the Properties or Interests, or exercise any remedy against ORC if a breach is not susceptible of cure by Security Trustee or is personal to ORC or ORC fails to discharge any lien upon the Properties or Interests which is subordinate to the lien of Security Trustee's lien; provided (a) any breach of a payment obligation due to Lessor under the Lease is cured within the period provided for in Section 3 above, and (b) Security Trustee is either diligently proceeding to foreclose the Leasehold Security Document or such foreclosure is stayed by court order, bankruptcy or other judicial process. If Security Trustee is stayed or prohibited by any process or injunction issued by any court or by reason of any action by any court having jurisdiction of any bankruptcy, debtor rehabilitation or insolvency proceedings involving ORC from commencing or prosecuting foreclosure or other appropriate proceedings in the nature thereof, the times specified in the Lease and Section 3 above for commencing or prosecuting such foreclosure or other proceedings shall be extended for the period of such prohibition; provided that (a) Security Trustee shall have fully cured any payment obligation due to Lessor under the Lease within the time period set forth in Section 3 above, and (b) Security Trustee diligently attempts to remove any such stay or prohibition.

5. Without limiting paragraphs 3 and 4 above, Lessor shall give Security Trustee notice if the Lease is terminated for any reason other than the expiration of the stated term thereof including, without limitation, by reason of a default by ORC, or the rejection or disaffirmance of the Lease pursuant to a proceeding under the Bankruptcy Code or any other law affecting creditor's rights. Security Trustee shall have the right within sixty (60) days after receipt of notice of such termination to demand a new lease covering the Properties and Interests for a term to commence on the date of procurement by Lessor of possession of the Properties and Interests and to expire on the same date as the Lease would have

expired if it had otherwise continued uninterrupted until its scheduled date of termination. The new lease shall have the same priority as the Lease, and the tenant under the new lease shall have the same right, title and interest in the Properties and Interests and improvements thereon as ORC had under the Lease; provided, however, that Lessor's obligation to issue a new lease is contingent upon Lessor's prior written approval of the new tenant, such approval not to be unreasonably withheld or delayed. Such new lease shall be executed and delivered by Lessor to Security Trustee within thirty (30) days after receipt by Lessor of written notice from Security Trustee of such election and Lessor's approval of the new tenant, such approval not to be unreasonably withheld or delayed, and upon payment by Security Trustee of all sums owing by ORC under the provisions of the Lease (less the royalties and other income under the Lease actually collected by Lessor from third parties or the sale or distribution of minerals described in the Lease). Upon Security Trustee's exercise of its right to a new lease, Lessor covenants to execute such deeds and assignments as may be necessary or desirable to convey to Security Trustee title to improvements, fixtures, personal property and all other rights appurtenant to such Properties and Interests which were owned by ORC under the Lease. The obligations under this paragraph shall survive the termination of the Lease.

6. ORC's failure to cure any breach under the Lease is an event of default under the Leasehold Security Document giving Security Trustee the right to foreclose and exercise other remedies. No foreclosure action or exercise of other remedies by Security Trustee, nor any foreclosure sale nor any transfer in lieu of foreclosure, shall require Lessor's consent or give rise to any breach under the Lease.

7. Upon a foreclosure or transfer in lieu of foreclosure of the Leasehold Security Document granted by ORC to Security Trustee upon its interests in the Lease, Lessor shall recognize Security Trustee, or any other foreclosure sale purchaser, or any transferee of a transfer in lieu of such foreclosure (collectively, a "Successor") as the lessee under the Lease; provided, however, that Lessor's obligation arising under this section to recognize a Successor other than Security Trustee is contingent upon Lessor's prior written approval of the Successor, such approval not to be unreasonably withheld or delayed.

8. If a Successor acquires ORC's interest under the Lease, then the Successor shall have the right to assign the lessee's interest under the Lease subject to Lessor's prior written approval of the new lessee, such approval not to be unreasonably withheld or delayed. In the event of an assignment under this provision, other than by mortgage or pledge, the Successor shall be deemed to be released and discharged from all obligations on the Lease accruing after the assignment, provided such assignment is in writing, the assignee assumes all obligations under the Lease accruing after such assignment, the assignment sets forth the assignee's address for receiving notices, and a copy of the assignment is mailed to Lessor within ten (10) days after its execution. Nothing herein, however, shall be construed as a waiver of the requirement that the written consent of Lessor be obtained with respect to any subsequent assignment of the Lease if required by the terms of the Lease.

9. If a Successor acquires ORC's interest under the Lease, then the Successor shall be liable only for ORC's obligations that accrue under the Lease for the period of time that the Successor is tenant thereunder and in possession of the Properties and Interests.

10. Lessor agrees that unless Security Trustee acquires ORC's interest under the Lease through foreclosure or a transfer in lieu and obtains possession of the Properties and Interests, Security Trustee has no obligation under the Lease and has no obligation to cure any breach thereof. In no event shall Security Trustee have any obligation to indemnify or defend Lessor or otherwise be liable to Lessor under the Lease or otherwise with respect to occurrences, events, or activities of ORC (including without limitation with respect to environmental liabilities relating to spills or releases or with respect to personal injury), occurring prior to the date Security Trustee acquires ORC's interest in the Lease and possession of the Properties and Interests thereunder.

11. ORC shall not have any right to terminate the Lease or surrender the Properties and Interests or the Lease to Lessor without Security Trustee's written consent. Lessor shall not accept from or permit termination by ORC without Security Trustee's written consent. Lessor shall not agree to any mutual termination nor accept any surrender of the Lease or rights (except upon the expiration of the term of the Lease as provided for in the Lease), nor shall Lessor consent to any material amendment or modification of the Lease, without the prior written consent of Security Trustee.

12. Nothing in the Leasehold Security Document shall be deemed or construed to relieve ORC from the full and faithful observance and performance of its covenants, conditions and agreements contained in the Lease, or from any liability for the nonobservance or nonperformance thereof, or to require or provide for the subordination to the lien of the Leasehold Security Document of any interest of Lessor in or to the Properties and Interests, or the Lease itself.

13. The acquisition by ORC of fee title to the Properties and Interests shall not, without Security Trustee's written consent, cause a termination of the Lease or a merger of ORC's leasehold interest in such title.

14. Lessor agrees to amend this Addendum from time to time to the extent reasonably requested by Security Trustee proposing to make ORC a loan secured by a Leasehold Security Document, provided such proposed amendments do not materially adversely affect the right of Lessor or Lessor's interests in the Properties and Interests. All reasonable expenses incurred by Lessor in connection with any such amendment shall be paid by ORC.

15. Lessor, within ten (10) days after receipt of written request by ORC or Security Trustee, shall furnish a written statement, duly acknowledged, that the Lease, including this Addendum, is in full force and effect and unamended, and, if there are any amendments, such statement will specify the amendments, and that there are no defaults by ORC that are known to Lessor, or if there are any known defaults, such statement shall specify the defaults Lessor claims exist, and such other statements as may be requested by Security Trustee. Lessor hereby represents as of the Effective Date, that:

- a. The Lease is in full force and effect and is legal, valid and binding on Lessor and enforceable against Lessor as provided in the Lease;
- b. There are no written or oral amendments, modification, supplements, assignments, side letters, or other agreements or understandings between Lessor and ORC with regard to the Lease or the Property;
- c. Lessor does not have any defense, offset, lien, claim or counterclaim against ORC under the Lease;
- d. ORC has paid to Lessor all amounts due Lessor under the Lease; and
- e. There is no default now existing of Lessor or of ORC under the Lease. Further, there is no event that with notice or the passage of time or both would constitute a default of Lessor or of ORC under the Lease.

Lessor acknowledges that the foregoing representations will be relied upon by Security Trustee, and its respective successors and assigns, in connection with financing ongoing operations on the Property and other properties.

16. If by reason of its failure either to exercise any renewal option under the Lease, or for any other reason whatsoever, ORC shall not become entitled to renew the Lease for any renewal term provided for in the Lease, Lessor shall serve upon Security Trustee written notice thereof and Security Trustee shall have the option upon written request served upon Lessor to obtain from Lessor a new lease of the demised Properties and Interests for such renewal term. Such written request shall be served upon Lessor not later than sixty (60) days after the service of the aforementioned notice by Lessor on Security Trustee, and within thirty (30) days after the service of such written request, Lessor and Security Trustee, or Security Trustee's designee, shall enter into a new lease of the demised Properties and Interests as follows:

- a. Such new lease shall be entered into at the reasonable cost and expense of the tenant thereunder, shall be effective as at the date of termination of the then current term of the Lease, and shall be for the renewal term next succeeding the then current term of this Lease, and at the rent and upon all the agreements, terms, covenants and conditions hereof, including any applicable rights of renewals.
- b. Such new lease shall require tenant to perform any unfulfilled obligation of ORC under the Lease which is reasonably susceptible of being performed by such tenant. Upon the execution of such new lease the tenant therein named shall pay any and all sums remaining unpaid under the lease then expiring, then unpaid, plus the reasonable expenses incurred by Lessor in connection with the preparation, execution and delivery of such new lease.

17. This Addendum may be executed in any number of counterparts each of which when so executed and delivered shall be deemed to be an original and all of which together shall constitute one and the same instrument.

This Addendum is incorporated by reference into the Lease and made a part thereof as though set forth fully therein. Except as modified by this Addendum, the Lease remains unmodified and in full force and effect.
