- **Conditional Use Review:** Use Table found in *Section 4.3.200(64) Vacation Rentals (in an existing dwelling) subject to an Administrative Conditional Use (ACU) subject to Section 4.3.210(87) Categories and Review Standards – Vacation Rental/short term rental and Section 4.3.220 Additional Conditional Use Review (2) Residential. Mailed notices to owners of real property required by ORS 215 shall be deemed given to those owners named in an affidavit of mailing executed by the person designated by the governing body of a county to mail the notices. The failure of the governing body of a county to cause a notice to be mailed to an owner of a lot or parcel of property created or that has changed ownership since the last complete tax assessment roll was prepared shall not invalidate an ordinance. Failure of an issue to be raised in a hearing, in person or in writing, or failure to provide statements of evidence sufficient to afford the Approval Authority an opportunity to respond to the issue precludes raising the issue in an appeal to the Land Use Board of Appeals.

**STAFF REPORT
FINDINGS OF FACT AND CONCLUSIONS**

I. PROPOSAL AND BACKGROUND/PROPERTY HISTORY INFORMATION AND PRIOR COMPLIANCE:

- A. PROPOSAL:** The applicant proposes to operate their two-bedroom single-family home, located at 70214 Potato Bottom Road in Rural Residential– 2 (RR-2) zoning in Coos County, Oregon, as a furnished Vacation Rental dwelling. The property is 0.27 acres in size, existing development includes a Single-Family Dwelling, shed, carport and Septic System. The parcel is not used for farming or forestry due to its size. The dwelling’s water source is provided by Tenmile Lakes.

County regulations limit parking to two vehicles. A condition of approval has been added to limit parking onsite for Vacation Rental use to two (2) vehicles. The applicant is seeking an Administrative Conditional Use Permit for the vacation rental and has provided a proposed parking plan. The property will be managed by the property owner, Stacie Rudolfs.

- B. BACKGROUND/PROPERTY HISTORY/SITE CONDITIONS:** The property has a history of the following zoning and development compliance activities:
- November 18, 2004, a memo on file regarding the existing dwelling and dock with an assessed year built of 1968.
 - November 24, 2004, a Land Use Compatibility Statement was signed by County Staff for a waterway structure registration renewal for Oregon Department of State Lands.
 - August 27, 2014, a Zoning Compliance Letter (ZCL-14-227) was issued to allow emergency clearance for the existing septic system to be replaced.
 - October 11, 2024, Coos County Community Development received a letter from Coos Health & Wellness regarding operating a Vacation Rental without approval.
 - October 14, 2024, a Code Violation (AV-24-039) was opened on the property for use of a vacation rental without permits.
 - October 21, 2024, a Conditional Use (ACU-24-056) was submitted requesting the dwelling to be used as a Vacation Rental.

C. LOCATION: The subject property is located southeast of the City of Lakeside off of Potato Bottom Road, which is accessed via North Lake Lane.

- D. ZONING:** - This property is zoned Rural Residential– 2 (RR-2).

ARTICLE 4.2 – ZONING PURPOSE AND INTENT

Section 4.2.100 Residential

Rural Residential (RR)

There are two RR zonings: Rural Residential-5 (RR-5) and Rural Residential-2 (RR-2). The intent of the Rural Residential Districts includes justified sites plus "committed" areas. The County's plan prescribes and allocates a finite number of rural dwelling/units/acreage. The zoning ordinance will specify permitted uses and minimum lot sizes.

The purpose of the “RR-2” and “RR-5” districts are to provide for small to medium acreage dwelling sites outside of Urban Growth Boundaries, where a moderate intensity of land development is appropriate, but where urban services and facilities may not be available or necessary.

The “RR-2” district provides for continued existence of rural family life and to provide a transition of densities between urban development and exclusive agricultural and forestry uses.

The “RR-5” district provides for the orderly development of rural land so as to encourage the continued existence of rural family life and to provide a transition of densities between urban development and exclusive agricultural or forestry uses.

E. **COMMENTS:** The following comments have been received:

- a. **Coos Health & Wellness** – Had no objections. Comments provided stated that with the documentation of satisfying the “Conditional Use”, Coos Health and Wellness can consider a Vacation Rental License for this application.
- b. **Department of Environmental Quality** –Comments provided stated this property has a current DEQ septic construction permit and the owner has represented their proposed use consistent with their ACU application. The system is permitted to size accordingly for a vacation rental.

II. GENERAL PROPERTY COMPLIANCE:

A. COMPLIANCE PURSUANT TO SECTION 1.1.300:

It shall be unlawful for any person, firm, or corporation to cause, develop, permit, erect, construct, alter or use any building, structure or parcel of land contrary to the provisions of the district in which it is located. No permit for construction or alteration of any structure shall be issued unless the plans, specifications, and intended use of any structure or land conform in all respects with the provisions of this Ordinance, unless approval has been granted by the Hearings Body.

FINDING: The dwelling has been operating as a Vacation Rental without approval, and Staff cannot find approval for the carport. This conditional use will bring the property into compliance with the vacation rental regulations once all conditions have been completed. If the carport is more than the exemption allows under the building code then an after-the-fact ZCL will be required for the accessory structure.

B. SECTION 6.1.125 LAWFULLY CREATED LOTS OR PARCELS:

“Lawfully established unit of land” means:

1. *The unit of land was created:*

- a. *Through an approved or pre-ordinance plat;*
- b. *Through a prior land use decision including a final decision from a higher court. A higher court includes the Land Use Board of Appeals;*
- c. *In compliance with all applicable planning, zoning and subdivision or partition ordinances and regulations at the time it was created.*
- d. *By a public dedicated road that was held in fee simple creating an interviewing ownership prior to January 1, 1986;*
- e. *By deed or land sales contract, if there were no applicable planning, zoning or subdivision or partition ordinances or regulations that prohibited the creation.*
- f. *By the claim of intervening state or federal ownership of navigable streams, meandered lakes or tidewaters. “Navigable-for-title” or “title-navigable” means that ownership of the waterway, including its bed, was passed from the federal government to the state at statehood. If a waterway is navigable-for-title, then it also is generally open to public use for navigation, commerce, recreation, and fisheries.*

FINDING: This property was deeded through deed document 78-60084. Therefore, the property is in compliance through deed or land sales contract prior to applicable planning, zoning or subdivision ordinances that would prohibit the creation and is a lawfully created unit of land pursuant to e above.

III. STAFF FINDINGS AND CONCLUSIONS:

A. SUMMARY OF PROPOSAL AND APPLICABLE REVIEW CRITERIA:

Request for a Land Use Approval through an Administrative Conditional Use to change the use of a *Single-Family Dwelling* to a *Vacation/Short Term Rental*.

The applicable review criteria are found in Coos County Zoning and Land Development (CCZLDO) Use Table found in Section 4.3.200(64) Vacation Rentals (in an existing dwelling) subject to an Administrative Conditional Use (ACU) subject to Section 4.3.210(87) Categories and Review Standards – Vacation Rental/short term rental and Section 4.3.220 Additional Conditional Use Review (2) Residential. Siting standards do not apply to this type of review because there are no new structures proposed with this review.

B. KEY DEFINITIONS:

- *DEVELOPMENT: The act, process or result of developing.*
- *USE: The end to which a land or water area is ultimately employed. A use often involves the placement of structures or facilities for industry, commerce, habitation, or recreation.*
- *ZONING DISTRICT: A zoning designation in this Ordinance text and delineated on the zoning maps, in which requirements for the use of land or buildings and development standards are prescribed.*
- *DWELLING: Any building that contains one or more dwelling units used, intended, or designed to be built, used, rented, leased, let or hired out to be occupied, or that are occupied for living purposes.*
- *COMPATIBILITY: Compatibility means that the proposed use is capable of existing together with the surrounding uses without discord or disharmony. The test is where the proposed use is compatible with the existing surrounding uses, and not potential or future uses in the surrounding area. The surrounding area consists of the notification area for the project as set out in § 5.0.900.*
- *VACATION RENTALS: A furnished apartment or house rented out on a temporary basis to tourists or guests as an alternative to a hotel/motel or group cottage. The definition includes dwelling(s) or dwelling unit(s) for the purpose of being rented or occupied on a daily or weekly basis, or is available for use, rent, or occupancy on a daily or weekly basis, or is advertised, or listed by an agent, as available for use, rent, or occupancy on a daily or weekly basis and are predominately rented out less than 30 days.*

C. VACATION/SHORT TERM RENTAL CRITERIA AND REVIEW STANDARDS

I. Section 4.3.200 Zoning Tables for Urban and Rural Residential, mixed Commercial-Residential, Commercial, Industrial, Minor Estuary and South Slough

The table indicates the type of review process that is required. Remember that ACU is a conditional use review and the letter prior explain what level of conditional use is required (A = administrative and H=Hearing)

As used in the zoning tables the following abbreviations are defined as:

- *“P” Permitted and requires no review from the Planning Department. No review is required but other agencies may have requirements.*
- *“CD” Compliance Determination review (permitted with standards) with clear and objective standards (Staff review usually referred to as Type I process or ministerial action). These uses are subject to development standards in sections 4.3.22, 4.3.230 and notices requesting comments may be provided to other agencies as result. The process takes a minimum of 30 days to complete. Industrial zones may require additional review. All structures and uses shall meet the applicable Development and Siting Criteria or Special Development Considerations and Overlays for the zoning district in which the structure will be sited.*
- *“ACU” Administrative Conditional Use (Planning Director’s Decision usually referred to as a Type II Process)*
- *“HBCU” Hearing Body Conditional Use (Planning Commission, Board of Commissioner or Hearings Officer Decision usually referred to as a Type III Process)*

- “PLA” Property Line Adjustments subject to standards found in Chapter 6.
- “P”, “SUB”, “PUD” = Partition, Subdivision, Planned Unit Development that require Land Division Applications subject to standards found in Chapter 6.
- The “Subject To” column identifies any specific provisions of Section 4.3.210 to which the use is subject.
- “N” means the use is not allowed.

The zoning table sets out Uses, Developments and Activities that may be listed in a zone and the type of review that is required within that zone. If there is a conflict between uses the more restrictive shall apply. Section 4.3.210 provides an explanation of the use category and the specific criteria that shall apply and if the use is identified as requiring a conditional use. Section 4.3.225 General Siting Standards apply to all regulated Uses, Developments, or Activities, but these are clear and objective standards that do not, in themselves, require a land use notice. Section 4.3.230 Specific Standards list specific siting standards by zones and 4.2.220 Additional Conditional Use Review and Standards for table 4.3.200 contains any additional criteria that applied to a Use, Development or Activity that has been identified by the following table as requiring.

64.	Vacation Rentals (in an existing dwelling)	ACU	ACU	ACU	ACU	ACU	ACU	ACU	ACU	ACU	ACU	ACU	ACU	ACU	N	N	(87)

FINDING: Vacation rental reviews are subject to the Coos County Zoning and Land Development Ordinance (CCZLDO) Use Table found in Section 4.3.200(64), which governs vacation rentals (in an existing dwelling) and requires an Administrative Conditional Use (ACU) review. This is further subject to Section 4.3.210(87) Categories and Review Standards – Vacation Rental/Short-Term Rental, and Section 4.3.220 Additional Conditional Use Review (2) Rural Residential.

II. Section 4.3.210 – CATEGORIES AND REVIEW STANDARDS

The following categories provide a definition and specific standards that will regulate the Development, Use or Activity identified in the table above.

- (87.) Vacation rental/short term rental - Subject to the following criteria:
- Shall be found to be compatible with the surrounding area.
 - Shall be licensed by the Coos Health & Wellness (CHW) in accordance with ORS 446.310-350;
 - Shall meet parking access, driveway and parking standards as identified in Chapter VII;
 - Shall not be conveyed or otherwise transferred to a subsequent landowner without the new property owner submitting a Compliance Determination Application showing compliance with this section; and
 - A deed restriction shall be recorded with the Coos County Clerk’s Office acknowledging that this is an accessory use to the approved residential use. If located within Urban Growth Boundary further restrictions may be required based on comments from the City.

FINDING: The primary criterion for this application is compatibility. As explained, compatibility means that the proposed use must be capable of existing alongside surrounding uses without discord or disharmony. The purpose of this zoning district is to provide for continued existence of rural life and to provide a transition to densities between urban development and exclusive agricultural and forestry uses. Vacation Rentals, as a limited commercial use, are considered accessory to the residential use. They are permitted only within an existing dwelling and must demonstrate compatibility with existing residential uses in the surrounding area without causing discord or disharmony. This type of use, however, has the potential to increase traffic and create nuisance issues.

The County has applied a notification boundary of 250 feet to assess compatibility criteria. Within this notification area, the surrounding properties include:

- Three (3) Undeveloped lots/ parcels
- One (1) Single Family Primary Dwelling
- Five (5) Single Family Secondary Dwellings

The subject property abuts Tenmile Lakes, which is the fourth largest lake in the State of Oregon. Tenmile Lakes are one of the most used bodies of water in Coos County and the fifth heavily used lake in the state. The lake provides recreational opportunities such as fishing, hiking, water skiing, swimming and boating.

Staff find that the proposed Vacation Rental can be made compatible with the surrounding area when conditions of approval are applied.

A Single-Family Dwelling unit provides complete independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking, and sanitation. A request to use the dwelling for transient occupancy for vacation purposes must not increase traffic, parking, or related nuisance issues. Therefore, to ensure compatibility, limitations on occupancy based on the number of bedrooms within the dwelling, as well as restrictions on traffic and parking volumes to align with those of a Single-Family Dwelling, will minimize nuisances and ensure the use is compatible.

In determining the number of people who can be accommodated overnight, the calculation is based on the number of bedrooms within the Single-Family Dwelling. Per ORS 90.262, a bedroom accommodates a minimum average of two occupants. This dwelling contains two (2) bedrooms; therefore, staff will condition this approval to allow a maximum of four (4) overnight guests and limit guest parking to two (2) vehicles. These measures will minimize traffic and impact on the road and neighborhood. Vendors shall be limited to cleaning and maintenance services.

The applicant has acknowledged that a license and inspections will be completed by Coos Health & Wellness in compliance with ORS 446.310 through 446.350. Additionally, the Vacation Rental approval will not be transferred to a subsequent owner without a Compliance Determination.

The applicant shall record a deed restriction with the Coos County Clerk's Office acknowledging that this is an accessory use to the approved residential use. This requirement will be made as a condition of approval. Compliance with all conditions shall be required for final approval.

III. DECISION

In conclusion Staff finds that the applicant has address most of the relevant criteria and the ones that have not been addressed or cannot be completed until after the approval is obtained have been made conditions of approval. Therefore, the proposed Vacation Rental meets the requirements of the Coos County Zoning and Land Development Ordinance, with conditions listed in Exhibit "A" of this report.

IV. EXPIRATION:

Once this application is implemented, it does not expire under current law. However, it cannot be transferred to another owner unless a Compliance Determination has been filed.
